

2nd November 2020

Dear Parents/carers,

As we begin a new half term and with schools remaining open for the forthcoming lockdown we would like to make dropping off and collecting your child/ren as safe as we possibly can for the whole school community.

We are therefore requesting that from tomorrow anyone over the age of 11 wears a face mask/covering when lining up to drop children off in the morning and also when collecting and coming on to the playground at the end of day. We would also request that any parent entering the premises would also wear a face covering. We hope we can rely on your support to keep Heronsgate as safe as possible.

Heronsgate will be selling poppies on behalf of the British Legion for Remembrance Day – Wednesday 11th November.

The School Council children will be selling poppies during the school day to children so if they wish to purchase please send them in with some money during this period – minimum donation for standard paper poppy 20p please.

Thank you for your continued co-operation and support.
