12 February 2021

Dear Parents & Carers

Thank you for your fantastic support during this half term. We've been delighted with the amount of work that we have received and the effort of the vast majority of children. I hope that your child has done enough to earn a reward from you for their hard work during lockdown. Many of you have emailed the school expressing thanks to the staff and we would like to return our thanks to you. You have been true super heroes for your children, keeping them going with their remote learning whilst continuing to juggle all your other family commitments. We applaud you and your children!

The school will not be setting any work for the pupils during the half term holiday to ensure children have a break from their devices, please do encourage them to have time away from them. If possible have a SCREEN FREE week. The weather looks to be improving so hopefully you'll be able to get out into the fresh air.

During the half term holiday it is important to note that the school will be closed, although if you need to contact us urgently please email: [heronsgate@mket.org.uk](mailto:heronsgate@mket.org.uk) and a member of staff will try to help. Some electrical works are being carried out at the school over the holidays so we apologise if this causes any delay in our responses to you.

We await more information to share with you after the half term holiday about the Government plans for the re-opening of schools. In the meantime, if there is anything we can do to support you or your family please do get in touch.

We hope that you continue to stay safe and follow the guidelines during the half term holiday so that we protect our community and all children can return to school as soon as possible.

Kind regards

Jane Edwards  
Headteacher
