To the Parents/carers of Pupils in Year 6

As part of Personal Social, Health and Economic Wellbeing curriculum for Year 6 we will be learning about puberty, sexual reproduction, conception and how babies develop during pregnancy. We are basing the lessons around the school's PSHE programme, 'Jigsaw' which consists of PowerPoints, diagrams and discussions.

As a parent, you have the right to withdraw your son/daughter from the sexual reproduction aspect of the programme of study. Forms are available from reception. If you have any concerns or would like more information please speak to your child's class teacher.

Yours sincerely

Year 6 Team
