Hooray!

The new catering kitchen at Heronsgate opened for business on January 4th 2023.

Our school meal provider, Caterlink, are now cooking all our meals from scratch onsite, serving freshly baked bread, main/vegetarian meals and desserts. Fruit options and a salad bar are also available daily.

Meals cost £2.57 a day. If you think you may be eligible for free school meals please check via:

All orders are made via parentpay and must be completed by Thursday at 6pm for the following week. Alternatively, meals can be booked up to termly in advance

For school trips, the kitchen can prepare packed lunches for the day—either meat or vegetarian sandwich (depending on the meal option booked), fruit, cookie and a bottle of water.

Watch out for details of a sample tasting session for parents—to be held in the near future!
